"The Blood Is The Life."

Science has never gone beyond the
above simple statement of scripture. But
it has illuminated that statement and
given it a meaning ever broadening with
the increasing breadth of knowledge.

When the blood is "bad" or impure it
is not alone the body which suffers
through disease. The brain is also
clouded, the mind and judgment are
affected, and many an evil deed or impure
thought may be directly traced to the
impurity of the blood. Foul, impure blood
can be made pure by the use of Dr.
Pierce's Golden Medical Discovery.

It cures and cures the blood thereby
curing, pimples, blotches, eruptions, and
other cutaneous affections, as eczema,
better, or salt-rheum, hives and other
manifestations of impure blood.

It cures of scrofulous swellings, en-
larged glands, open sores, ulcers, or old
sores, the "Golden Medical Discovery" has
performed the most marvelous cures. In
cases of old sores, or open eating ulcers,
it is well to apply to the open sores Dr.
Pierce's All-Healing Salve, which pos-
sesses wonderful healing potency when
used as an application to the sores in con-
junction with the use of "Golden Medical
Discovery" as a blood cleansing consti-
tutional treatment. If your druggist
don't happen to have the "All-Healing
Salve" in stock, you can easily procure it
by enclosing fifty-four cents in postage
stamp to Dr. R. V. Pierce, 933 Main St.,
Buffalo, N. Y., and it will come to you by
return post. Most druggists keep it as
well as the "Golden Medical Discovery."

You can't afford to accept any medicine
of unknown composition as a substitute for
"Golden Medical Discovery," which is a
medicine of known composition, hav-
ing a complete list of ingredients in
plain English on its bottle wrapper, the
same being attested and correct under oath.
Dr. Pierce's Pleasant Pellets regulate
and invigorate stomach, liver and bowels.

THE VALUE OF CHARCOAL.

Few People Know How Useful It is in
Preserving Health and Beauty.

Costs Nothing To Try.

Nearly everybody knows that charcoal is
the safest and most efficient disin-
fectant and purifier of nature, but few
realize its value when taken into the
human system for the same cleansing
purpose.

Charcoal is a remedy that the more
you take of it the better; it is not a
purgative, but simply absorbs the gases
and impurities always present in the
stomach and intestines and carries them
out of the system.

It cleanses the system, the breath after
smoking, drinking or after eating on-
ions and other odorous vegetables.

Charcoal effectually clears and improves
the complexion, it whitens the teeth and
further acts as a natural and eminently
safe cathartic.

It absorbs the impurities gases which
collect in the stomach and bowels, it
disinfects the mouth and throat from
the poison of catarrh.

All druggists sell charcoal in one form
or another, but probably the best char-
coal for medicinal purposes is that pre-
pared in Stuart's Charcoal Lozenges; it is
composed of the finest powdered Wil-
son's charcoal, and is a harmless anti-
acid in tablet form or either in the
form of a large, pleasant tasting lo-
zenge, the charcoal being mixed with
honey.

The daily use of these lozenges will
soon tell in a much improved condi-
tion of the general health, better com-
plexion, sweeter breath and purer blood,
and the beauty of it is, that no possi-
ble harm can result from their continued
use, but, on the contrary, great benefit.

A Buffalo physician, in speaking of the
benefits of charcoal, says: "I advise
Stuart's Charcoal Lozenges to all pa-
tients suffering from gas in stomach and
bowels, and to clear the complexion
and purify the blood, mouth and throat;
I also believe the liver is greatly bene-
fitted by the daily use of them; they
cost but twenty-five cents a box at drug
stores, and although it is not a new
patent preparation, yet I believe I get
more and better charcoal in Stuart's
Charcoal Lozenges than in any of the
ordinary charcoal tablets."
